

CIVIL COURT OF THE CITY OF NEW YORK

Legal/Statutory Memorandum
Subject: Sheriff or Marshal's Fees

Class: LSM-149-a
Category: GP-20
Eff. Date: Oct. 23, 2000

=====

LSM-149, dated September 20, 2000, indicated that **CPLR § 8012(d)** was amended, effective October 1, 2000 and that following this amendment, the advance disbursements for a sheriff or city marshal changed from \$15.00 to \$25.00.

You were advised that on any judgment entered on or after October 1, 2000, if the amount requested in the judgment for sheriff or marshal's fees is \$15.00, the Clerk is to amend the amount to \$25.00. To avoid any misunderstanding, this statutory change is only to the mileage portion of the advance fees.

I call your attention to the fact that the total due usually includes an additional **CPLR § 8011** prospective fee of \$10.00 for receiving and entering the property execution. This section has not changed.

Thus, the new total prospective fees are \$35.00.

Dated: October 23, 2000

Hon. Fern Fisher-Brandveen
Administrative Judge
