

**CIVIL COURT OF THE CITY OF NEW YORK**

**LEGAL STATUTORY MEMORANDUM**

Subject: Answers in Summary Proceedings

Class: LSM-155

Category: LT-10

Eff. Date: December 6, 2003

=====

Section 743 of the Real Property Actions and Proceedings Law has been amended, effective December 6, 2003, to allow the recording (writing) of answers in summary proceedings on the case record. At present the answer is indorsed on the petition, requiring the clerk to remove the petition from the file folder, and re-insert it, and the same for anyone else who must read the answer.

The change allows the clerk to write the substance of the answer on the file folder, in the upper left hand section, or simply file the answer form, CIV-LT-91 in the file folder.
