While this is not a new section , it was recently brought to our attention. We pass it on to you so as to refresh your memory.

Civil Court Act § 110(k)

Any party making a request for a copy of either a mechanically or manually recorded transcript shall bear the cost thereof and shall furnish a copy of the transcript to the court, and to the other parties.

It is interesting to note that while a copy of such transcript must be furnished in Housing Part cases, there is no such requirement in Civil cases nor in commercial landlord and tenant cases.

Judiciary Law § 302(1)

1. Every stenographer in a court of record must, upon request, furnish, with all reasonable diligence, to the defendant in a criminal case, or a party, or his attorney in a civil cause, a copy, written out at length from his stenographic notes, of the testimony and proceedings, or a part thereof, upon the trial or hearing, upon payment, by the person requiring the same, of the fees allowed by law.
