

**ELECTRONIC RECORDING TRANSCRIPTION SERVICES - May 20, 2024**

All services have agreed to comply with the Standard Transcript Specifications (section 108.3 of the Rules of the Chief Administrator) and to have their transcripts subject to random accuracy audits by the Unified Court System (UCS). The [82] services on this [6-pages] list are not employed as electronic recording transcribers by the UCS and each sets their own rates. The UCS does not recommend particular services.

**Prior to submitting a request for transcript(s) to the court, individuals must be sure to contact the vendor of choice to check availability to meet the time frame required for delivery, and to confirm and agree on vendor's fees and payment requirements.**

**\*\*Each vendor sets their own rates - please check multiple vendors and get price quotes in writing before selecting one.**
