

**CIVIL COURT OF THE CITY OF NEW YORK**

**Civil Court Directive**

Subject: No Further Orders to Show Cause

Class:           DRP-123

Category:       LT-40

Eff. Date:       Aug. 15, 1991

=====

**BACKGROUND:**

Sometimes, as a result of a Motion or an Order to Show Cause, a Judge's Order includes the notation: "No Further OSC."

Given the heavy caseload under which our Judges work, it is possible, in reviewing a further request for an OSC, that the Judge may miss his/her own (or another Judge's) prior Order. Because of this, the following Directive is being made.

**DIRECTIVE OF THE ADMINISTRATIVE JUDGE:**

The Chief Clerk is directed to revise all procedures and any and all forms relating to this problem and its solution and to advise all concerned staff.

Dated: August 12, 1991
