Pretrial Services Agency Annual Report Dashboard

Pretrial Services Agency Annual Report

Overview

Purpose of Dashboard

To comply with section 510.45, subdivision 5-A-G of the bail law, requiring the Unified Court System (UCS) to compile and publish anonymized aggregate data on a host of relevant information, including the number of defendants supervised with a breakdown by race/ethnicity and charge, average length of time in pretrial supervision, number and reasons for supervision revocations, and final case dispositions.

Population Presented

- Aggregate level data reported by the certified pretrial services agency for each county. Data cannot be cross filtered.
- Compiled from a QuestionPro survey so the data cannot be validated by OCA; it is presented as reported.
- Counties with no data have not reported any stats or do not have any to report.
- Previous year is included for comparison purposes.
- Westchester County data is unavailable for 2022 as they switched providers mid-year.
