DISTRICT ADMINISTRATIVE JUDGE,  
TENTH JUDICIAL DISTRICT (SUFFOLK CO.)  
RELEASE: IMMEDIATE, JANUARY 8, 2004

## SUFFOLK COUNTY COURTS HONOR QUALITY SERVICE AWARD RECIPIENTS

**CENTRAL ISLIP, N.Y.** - Suffolk County's District Administrative Judge, H. Patrick Leis III, is pleased to announce that Captain Dave Mylett of Supreme Court, Court Officer Kevin Daurenheim of Family Court and Court Officer Carol Stewart of District Court, were honored today for receiving the 2003 Quality Service Award for the Tenth Judicial District, Suffolk County.

The Quality Service Awards Program was established by the New York State Unified Court System and is awarded to court employees who strive for the highest level of service; who characterize strong positive relationships with colleagues through mutual support and respect; and who initiate and carry out meaningful programs, events or services that benefit the court and the

community.

Each year, one individual from each judicial district is eligible to receive the Quality Service Award. This year, the Hon. Ann Pfau, Deputy Chief Administrative Judge for Management Support in consultation with the District Administrative Judge for Suffolk County, selected Captain Mylett, Court Officer Daurenheim and Court Officer Stewart to receive this prestigious award for their extraordinary service as part of the Suffolk County Courts Audio Visual Team.

Justice Leis observed, “The three individuals who were honored today have made substantial contributions to our outreach programs. Their unique talents and abilities bring to life in photographs and video the numerous events and ceremonies that take place in our courts, such as Career Day, Law Day, Summer Judicial Seminars, Women’s History Month and many other special events held throughout the year. Their professional approach combined with their unparalleled expertise in the area of photography and video has become their hallmark.”

A recent example of their work is a “Careers in the Courts” video which will be shown to all jurors on a daily basis, as well as distributed to all school districts within Suffolk County.
