This is the Church of Jesus Christ of Latter-Day Saints site

<http://usgenweb.org/>

Has links to UC Census info ([www.us-census.org](http://www.us-census.org)) as well as the "Tombstone Project", an on-going project attempting to gather surveys of cemeteries around the country. Another GenWeb archives project is beginning to provide transcriptions of marriage records in New York available online with copies to the NYS Archives.

<http://www.ancestry.com/>

Has links to census records as well as the Social Security Death Index. However, access to much of the site, including the birth and marriage records require a subscription fee.
