Welcome to the Misdemeanor Brooklyn Treatment Court (MBTC)

This handbook is designed to:

- ? Answer questions
 - ? Address concerns
 - ? Provide information about MBTC
-

As a MBTC participant, you must follow the instructions given in court by the Judge and the rules and treatment plan developed for you by your Case Manager. This handbook will explain what is expected of you. It will also provide general information about the MBTC program.

Ask your Case Manager or Defense Attorney to explain to you anything in this handbook that you do not understand!

What is MBTC?

MBTC is a special courtroom of the Brooklyn Criminal Court. It is a program for those arrested for misdemeanors in Brooklyn, who also abuse drugs or alcohol. MBTC's program includes regular court appearances and supervision by the MBTC Judge.

After your arrest, you were given the choice of joining MBTC or having your case go through the regular court process. If you abuse drugs or alcohol and are eligible for the MBTC program, your Case Manager will work with you to build a treatment plan. While you are in treatment, the Judge will closely watch your progress.

What do I have to do?

If you agree to participate, you must sign a contract. This contract is an agreement between you and the Judge. It explains what is expected of you and what will happen if you do not follow the rules. The Judge will also sign the contract. The contract is written specifically for you based on your current charges and your prior criminal history. Before you sign your contract, you should speak with your Defense Attorney and have your questions answered. You will have to attend treatment and other services such as school, job training and counseling sessions, as directed by your MBTC Case Manager and the Judge. You must also stop using drugs and alcohol.

How long will I be involved in MBTC?

The amount of time you spend in MBTC will depend on your plea and by your individual progress in treatment. Most participants will spend about one year with MBTC. Some more, some less. It all depends on the effort you put into treatment and your progress.

If you have any questions, speak to your Defense Attorney.

If the Judge says that you can no longer participate or you ask to stop participating, the Judge will sentence you to the jail time you and your lawyer agreed to when you pled guilty
