

If You See Something, Say Something®

Across the nation, we're all part of communities. In cities, on farms, and in the suburbs, we share everyday moments with our neighbors, colleagues, family, and friends. It's easy to take for granted the routine moments in our every day—going to work or school, the grocery store or the gas station. But your every day is different than your neighbor's—filled with the moments that make it uniquely yours. So if you see something you know shouldn't be there—or someone's behavior that doesn't seem quite right—say something. Because only you know what's supposed to be in your everyday. Informed, alert communities play a critical role in keeping our nation safe. "If You See Something, Say Something®" engages the public in protecting our homeland through awareness—building, partnerships, and other outreach.
