=====

**BACKGROUND:**

Directive 429, issued on March 22, 1977, was recently enforced on an application for the entry of a judgment based on defendant's failure to answer. The attorney making the application asked us about it, and we could find no judgment clerk enforcing Directive 429 other than in the case in question. After doing some research, we find no justification for the directive.

**DIRECTIVE:**

Effective 2003, Directive 429, requiring a statement in the verified complaint or the affidavit of facts averring that a copy of the agreement has been mailed or delivered to the defendant in this State, is rescinded.
