

Q&A for OCA/JM-184A: Juror Mailers for use with Laser Printers
Deadline: Thursday, June 16, 2011 - 5 p.m.

1. On Exhibit I the quantities for Lot II add up to 2.7 million but the Bid Response Form has 3 million on it. Where do the other 300,000 mailers go?

A. Please see Amendment #1 to the RFB for the clarification on the Lot II estimated quantity to bid on. Bidders must use the amended Bid Response Form or their bid responses will be disqualified.

2. Will there be any vendors submitting bids on this RFB that are identified as Preferred Sources pursuant to NYS Finance Law Sections 162.1, 162.2a, 2b and 2c, 2d, 2e?

A. This RFB, as well as, all NYS UCS bid opportunities are published in the New York State Contract Reporter and our own public website: www.nycourts.gov/admin/bids and are open to the bidding community at large. While it is unknown who will bid on this RFB, because it is a publically offered opportunity, it is possible that a Preferred Source would bid on it.
