

Question #1: I downloaded bid # OCA/AS-205. Page 3 has a list of documents. None of these documents were included in the download. Also, none on the list are check marked. If they are not check marked, does that mean they are not needed and that's why they are not included in the download?

Answer to question #1: The documents referred to in the Document Enclosure Checklist are available on the website at [nycourts.gov/admin/bids](http://nycourts.gov/admin/bids) under Current Solicitation and bid number OCA/AS-208 under Attachment I, Attachment III and Attachment IV which are available as links. The bid specifications provide further clarification or instructions.
