

UNIVERSAL CASE MANAGEMENT SYSTEM

RESTRICTIONS ON DISSEMINATION

5.1 Secondary Dissemination of System Data Prohibited.

Secondary dissemination of System Data by User Organization is prohibited except as strictly necessary in connection with User Organization's Permitted Purpose.

"Secondary dissemination" shall mean the sale, transfer, distribution, transmission, disclosure or other revelation of, or grant or allowance of access to, UCMS Family Web Inquiry or System Data, directly or indirectly, to any third party not expressly granted access hereunder.

"Third party" shall mean any person or entity other than User Organization, including, but not limited to:

(i) any agent, contractor, subcontractor, subsidiary, partner, shareholder, member or affiliate of User Organization; and

(ii) any other governmental department, agency, division, office, subdivision or operating unit of User Organization.

5.2 System Data Requests.

User Organization shall deliver notice via the UCS Security Administration Unit Email Address to UCS forthwith upon receipt of any request or demand made to User Organization or an Authorized User to disclose or provide access to System Data, whether pursuant to law, rule or regulation, subpoena, court order or similar judicial process, in order to enable UCS to seek an appropriate protective order. Absent same, User Organization may only disclose such System Data strictly to the extent legally required.
