

**UNIVERSAL CASE MANAGEMENT SYSTEM
FAMILY WEB INQUIRY ACCESS**

UCMS ACCESS

Access to UCMS is designed and strictly limited to our panel members only. As per our agreement with OCA through a Memorandum of Understanding, access to UCMS is not to be provided to interns, temporary employees, other members of an attorney's office, or any other entity requesting access. Doing so would be a violation of OCA's rules which could result in the termination of your and our agency's access and privilege to UCMS.

Please note that our office does not grant access to UCMS, but instead we request access on your behalf. This process is not initiated until our panel attorneys are **actively engaged on the panel** and have acquired a caseload.

Please email Gregory Chickel at gchickel@nycourts.gov for a copy of the UCMS application.

For password reset or issues you may have regarding UCMS, please contact our Help Center at (800) 622-2522 or via email helpcenter@nycourts.gov.
