

ATTENTION VACCINATED COURT VISITORS:

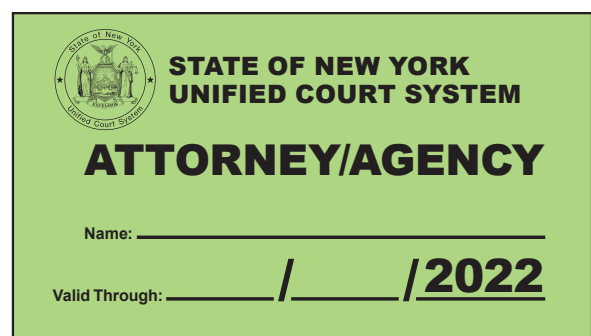

Court Users who have been fully vaccinated for COVID-19 and can provide proof of vaccination (a vaccination card or a NY State Excelsior Plus Vaccination Pass) may request a court-issued Visitor or Attorney/Agency pass permitting them to enter this facility

- without completing a health safety screening; and
- without wearing a face covering or mask.

The Visitor or Attorney/Agency pass must be worn on the outermost piece of clothing at all times in this facility.

Please speak to a court officer for details about the policy and to obtain your pass.

Court Users issued a pass must self-assess their health condition before entering this courthouse and may not enter if they would answer “yes” to one or more questions on the COVID screening sign and must wear a well-fitting mask when returning from isolation or quarantine.

All other Court Users must continue to complete a health safety screening before entering the facility and wear a mask or face covering at all times.
